THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D. C. 20505

11 DEC 1974

MEMORANDUM FOR: Assistant to the President for
National Security Affairs

SUBJECT: Approval of NSCID No. 9

25X1

2. The text has been agreed upon among the Attorney General's office, the Federal Bureau of Investigation and the Central Intelligence Agency, and was considered by the United States Intelligence Board at its 5 December meeting.

3. The subject of this proposed NSCID is of great importance to the effective functioning of the Central Intelligence Agency, and I would appreciate early NSC action.

4. The content of the proposed NSCID No. 9 is incorporated in the omnibus NSCID which is being developed as a replacement for all of the existing NSCIDs. Ad interim approval of the proposed NSCID No. 9 is being requested at this time, however, both because of the importance of having National Security Council authority for the matters which NSCID No. 9 covers, and because it may be some time before the omnibus NSCID is available for National Security Council consideration.
